

Road Safety design

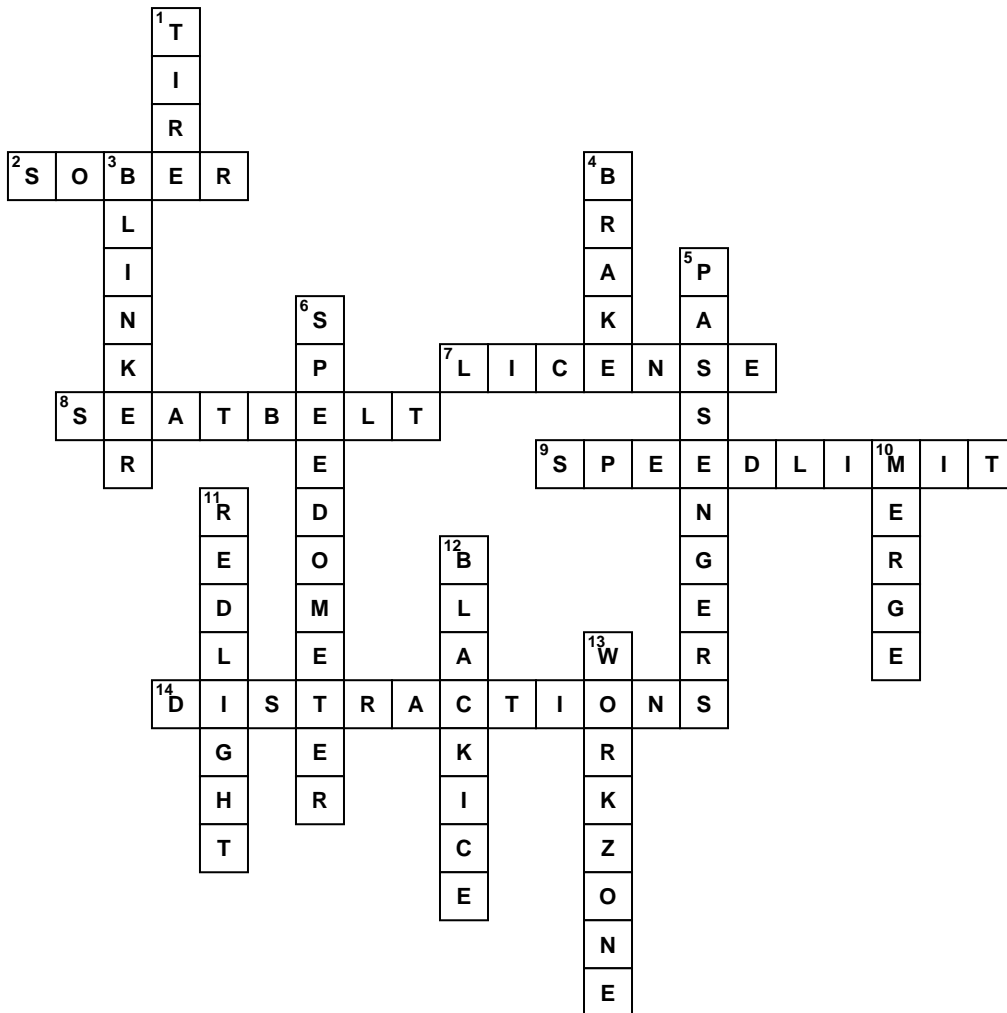

Across

- [2] To not be intoxicated
- [7] A permit to drive the vehicle
- [8] A safety device designed to secure the driver or a passenger
- [9] A pace at which a vehicle may legally travel in a zone
- [14] Something you should avoid while driving

Down

- [1] The part of your vehicle that meets the road
- [3] A light that flashes off and on as a warning or a signal
- [4] Applied to stop your vehicle
- [5] People traveling in car other than the driver
- [6] An instrument to show vehicle's speed
- [10] Going into a traffic flow upon leaving the slow traffic lane
- [11] Stop the vehicle on crossing when this is on
- [12] Slippery roadways that may not appear as so
- [13] An area where traffic fines double

Solution

Across

- [2] To not be intoxicated
- [7] A permit to drive the vehicle
- [8] A safety device designed to secure the driver or a passenger
- [9] A pace at which a vehicle may legally travel in a zone
- [14] Something you should avoid while driving
