19ASE304/ Heat Transfer

Unit - 3

Heat Puzzle

Across

4. The lowest temperature possible
5. This type of surface is a good reflector of heat
8. What colour to wear if you want to keep cool
9. Saving energy in your house also saves this!
10. An instrument for measuring temperature
11. The transfer of heat through a gas or vacuum
12. This is a very good insulator
13. This colour absorbs heat strongly
16. When you heat any object up it
18. Changing a liquid into a solid
19. Temperature is a measurement of how much particles are

Down

1. The transfer of heat in a liquid or gas
2. A good way of stopping heat escaping from windows
3. Something that does not conduct heat very well is called an.....
6. Changing a liquid into a gas
7. The transfer of heat in a solid
11. What hot air (or hot liquids) do
14. A metal that is a very good conductor
15. A unit of temperature
17. Changing a solid into a liquid
